

# Spotlight on Dementia & Equalities

Exposing & exploring the 5 key areas identified in **Dementia and Equality – meeting the challenge in Scotland**; a report by the National Advisory Group on Dementia and Equality.

**Where:** Alzheimer Scotland's Learning Lounge, 81 Oxford Street, Glasgow, G5 9EP.

**When:** Registration from 10am. Session will start at 10.30am – 1.30pm with a networking lunch.

**The sessions are as follows:**

**Age – younger onset dementia (under the age of 65 years)**

7 February 2018

**Lesbian, gay, bisexual and transgender (LGBT)**

14 February 2018

**Learning disabilities**

28 February 2018

**Race and ethnicity – black or minority ethnic (BME)**

5 March 2018

**Disability – sensory impairment**

14 March 2018

Each workshop will be delivered co-productively with individuals and professionals with either lived experience and/or expertise in the focus areas. This event is for professionals and individuals with an interest in action on inequalities.

## Intended Outcomes

1. To raise awareness and deepen our understanding of dementia & inequalities that exist across Scotland
2. To create the bones of an action plan to address this, being guided by the recommendations from the above report and working co productively with people with dementia and their carers

Attending any of the above sessions is free of charge however space is limited. **To register for a place or for more information please contact Jennifer Hall at [QWD@alzscot.org](mailto:QWD@alzscot.org) or 07823556795.**
