## Primary Care Transformation

# 1<sup>st</sup> Point of Contact MSK Physiotherapists in a GP Practice

A session introduced by Jan Beattie, Allied Health  
Professional Advisor for Primary Care,  
Scottish Government

**WebEx: Thursday 5 October 2017, 4pm–5pm**

This is the second in a series of Quality Improvement WebExes, and will share the learning from tests of change in relation to Musculoskeletal (MSK) Physiotherapists, describing the generic role and providing feedback from the tests including how the role is supporting GP clusters.
