

Not Extra Care

(Housing LIN, 2015)

Enhanced Sheltered Housing

You live here if you have some additional needs but not enough to need Extra Care Housing

Extra Care Housing Types*

(Housing LIN, 2015)

Assisted Living Extra Care

You live in an extra care flat or bungalow which is built in the existing community

Hub and Spoke

Like assisted living but you also share some of your new communal facilities (such as a café) with the community

Close Care

You live in an extra care flat or bungalow which is built next to a care home

Retirement Village

You live in an extra care flat or bungalow which has a new community feel, for example there is a row of shops on-site

Specialist Extra Care

You live in an extra care flat or bungalow which is especially designed to suit your needs, for example if you have dementia

Separated Extra Care

You live in an extra care flat or bungalow which is part of a separately grouped ward or area within a scheme
