
Breakout session for workstreams:

Neurodevelopmental pathways workstream

Kirsty Ellis, Improvement Advisor
Jennifer Halliday, National Clinical Lead

Improving access workstream

Marie Innes, Improvement Advisor
Marie Claire Shankland, National
Clinical Lead

Session Objectives

By the end of the session you will have:

- Developed a vision
- Defined / refined your project charter

On the cover !

- Suspend disbelief - think BIG!
- Imagine the best case scenario....then take it a stage further!
- Consider the voice of people who use your service, staff, Scottish Government....others?
- Plant seeds for the future...

Headline

Tells the
BIG story
of your
success

Brainstorming

Initial ideas

Quotes

Can be from
anyone as long as
they are related to
the project

Cover story

The substance of
the cover story

Project charter

Why? (what problem will it solve?)	How ...do you know? (data, feedback)
Who ...will be affected?	What outcomes do you expect ?

So what could possibly go wrong?

I gave my friend an elephant for her room...

She said, "Thanks."

I said, "Don't mention it!"

Your next (first?) PDSA

- What are you going to do next week?
- Who will do it?
- When?
- How?

Randomised coffee trial

- Take a numbered sticker on your way out
- Go to the coffee area and find the poster which corresponds to your number
- Find the person who has the same number as you
- Have a coffee with that person 😊
