

SPSP – Improving
Observation Practice
Programme Next Steps

@spsp_mh #spspiop

What we'll give you...

- 0.2 WTE Band 7 funding
- Regular board visits and improvement support
- Sessions for Band 7 leads
- Tools and resources
- Positivity and encouragement
- Opportunities to share learning

What we want back!

- Weekly band 7 commitment – locally and nationally
- Tested changes to shape national observation guidance
- Bi -Monthly reporting – data submission & leadership reports
- Sharing of learning

Thinking ahead...

- Sustainability and spread
- Human rights / PANEL principles
- Guidance

Monthly Leadership Report

Project Title:

Date :

Project Lead:

Executive Sponsor:

Aim (What are we trying to accomplish?)

PDSA's in progress now

Barriers and specific needs from sponsor or HIS to overcome them

Team

Changes we plan to test

Key areas of learning for sharing

Monthly Leadership Report

Project Title:

Date :

Project Lead:

Executive Sponsor:

How will we know we have made an improvement?

(List project measures:

Outcome/process/balancing

Example:

Outcome

% patients on enhanced observation who experience self harm

% patients who have an unscheduled absence

Process

% care plans aligned with risk assessment

% care plans which document known early warning signs or potential triggers for harm

Dates for your Diary – SPSP-IOP Band 7 Leads

- 23rd August – Steering Group
- 14th September – HSE seminar
- 22nd November - Steering group
- 29th November – SPSP national event

Thank You and Safe Journey Home!
