

Module 1 | Housing Solutions

Name

Date

Job and Service

1. What do you understand as the key principles and aims of the AFC programme?

2. Describe the types of housing based solutions available to help people live safely within their communities?

3. What would you describe as your key roles and responsibilities in relation to supporting people to understand the range of Housing solutions available to them ... when should you be intervening, and how should you engage with people?

Thanks for taking the time to complete this form

The information collected will help us support you and your colleagues in future training
