MCQIC Reactivation

Neonatal Clinical Lead for MCQIC, Dr Colin Peters, chaired the session with over 100 people signed up from all NHS boards across Scotland. With changes to the team, Colin introduced everyone in MCQIC including our new Improvement Advisor Jo Thomson who went on to explain what parts of MCQIC are being reactivated and the revised priorities within that.

MCQIC priorities until 31st March 2021:

Sharing & Learning

During the session we heard three NHS boards present on how COVID-19 affected their work as well as their learning from this. Slides from this webinar are also now available on our website. Please view them [here](#)

Your thoughts...

During an interactive section of the webinar, we asked attendees the following questions to find out what the communities would like from the MCQIC team going forward:

On the back of this live feedback, we are happy to announce our next webinar will take place on the below date and time. An invite to register via Eventbrite will be communicated in due course. If you have any further feedback in the meantime, we would love to hear from you via our MCQIC mailbox.
