

Delirium management and falls prevention: subject reading

Evidence and Evaluation for Improvement Team
(EEVIT)

21 April 2021

This is a reading list to accompany the first SPSP Acute Adult – Falls Prevention Webinar Series on *Delirium management and falls prevention*. A search of key biomedical databases and evidence-based websites on the subject found 27 publications. The citation and full-text links for these publications are listed below in reverse chronological order (newest first).
