Maternity and Children Quality Improvement Collaborative (MCQIC) Webinar

Topic: Bronchopulmonary Dysplasia (BPD)

Wednesday, 31 August 2022, 11.00am-12.30pm

Chair: Dr Lynsey Still, MCQIC Neonatal Clinical Lead, Healthcare Improvement Scotland

What to expect?

This webinar will be an opportunity to:

- reflect on consultation and testing of the proposed BPD toolkit
- share local experiences on the management of BPD
- connect with others through the panel-led Q&A session, and
- agree on next steps towards improving outcomes from BPD.

How do I join?

Click here to register via MS Teams and you will be sent an email confirming your registration and joining details. Confirmation will automatically appear in your calendar.
