Maternity and Children Quality Improvement Collaborative (MCQIC) Perinatal Collaborative Webinar Series

Topic: Building Perinatal Teams

Thursday 1 December 2022, 10.30am-12noon

Chair: Dr Nirmala Mary, MCQIC Obstetric Clinical Lead, Healthcare Improvement Scotland

Speakers

- **Dr Sarah Bates**, Consultant Paediatrician & Neonatologist, PERIPrem Project, Neonatal Operational Clinical Lead, Quality Lead for the British Association of Perinatal Medicine, Great Western Hospitals NHS Foundation Trust.
- **Dr Tracy Kay**, Consultant Obstetrician, PERIPrem Project, Royal Devon University Healthcare NHS Foundation Trust,
- **Dr Julie-Clare Becher**, Consultant Neonatologist, NHS Lothian.

What to expect?

This is the first in a series of perinatal collaborative webinars aimed at the multidisciplinary approach to building perinatal teams and will be an opportunity to:

- Understand the concept of the perinatal team and learn more from a high quality perinatal team,
- Value the importance of multidisciplinary collaboration in improving outcomes for mothers, babies and families,
- Explore exciting new pre-term perinatal wellbeing package resources from MCQIC, and
- Connect with others through the panel-led Q&A session.

How do I join?

This webinar will be held on Microsoft Teams. [Click here](#) and you will be sent an email confirming your registration and joining details; a diary invite should also automatically appear in your calendar.
